TOWN OF RICHMOND

NEW HAMPSHIRE

SELECTMEN'S OFFICE

Richmond, New Hampshire 03470

Telephone (603) 239-4232

To The Citizens of Richmond, N.H.

October, 1985

At the Town Meeting of 1984, the Selectmen were directed to expend the funds allocated for Legal Expenses in a program designed to bring complete conformance to Zoning Regulations as they now exist by vote of the Town.

This request implied to the Board a need for a split approach. The first concern to be the prevention of further violations resulting in costly corrective procedures. The second to involve the correction of existing violations that have occurred since the inception of zoning.

The year 1985 has been costly to the Town with advice and services being required in the following areas: Planning Board advice on sub-divisions; Board of Adjustment interpretation; Timber Tax collection; Civil actions against the Town; Corrections of violations involving habitated, non-conforming dwellings; and prevention of further zoning violations. These necessary actions deleted fiscal 1985 funds leaving nothing to pursue changes in long-standing violations such as the "Junk/Unregistered Vehicle" problem.

It is not the wish of the Board of Selectmen to have to expend town funds — raised by taxation — for the enforcement of regulations which could easily be corrected by responsible resident action. It is in the pursuit of self-correction of the still existing violations that the following information is offered.

Article 303 No junkyard or place for the storage of discarded machinery, vehicles, scrap material, or other junk shall be maintained in any district, except as hereinafter provided for.

The Board of Selectmen will assist any resident in their attempt to bring their property into compliance with any zoning regulation by

providing available information that will aid them.

We sincerely hope that each tax-payer within Richmond will realize that their cooperation in complying with the Zoning Regulations will prevent the extensive tax expenditures required to force legal conformity. We welcome questions and suggestions in this continuing effort.

Board of Selectmen
Town of Richmond, N.H.

SELECTMEN'S REPORT

Your selectmen have experienced a year of transition with the resignation of the chairman and the prior chairman assuming the responsibilities of organizing a nearly completed year.

It has been the intent of the Board to carefully comply with all the mandates of the 1985 Town Meeting. We have completed many of the tasks assigned even in this year of change. There are still many areas that need the continuing effort of this Board and the full support of the town.

We thank the citizens who faithfully served the town throughout the year and urge other town members to give of their time to these important jobs.

2. The following changes in the Zoning Ordinances adopted at Town Meeting in 1978 were voted on by secret ballot.

A. Changed Article 404: from,

“No multiple-unit dwelling or cluster dwelling shall be erected or placed on a lot of less than 2 acres for the first unit, and shall provide for a minimum of one (1) acre of adjoining land for each additional unit, and shall have a minimum frontage of two-hundred (200) feet.”

To: “No multiple-unit dwelling or cluster dwelling shall be erected or placed on a lot of less than three (3) acres for the first unit, and shall provide for a minimum of three (3) acres of adjoining land for each additional unit, and shall have a minimum frontage of two hundred (200) feet.”

Yes vote—103

No vote—22

B. To delete Article 401-2 which reads, “A single mobile home may be located anywhere in this district with the exception of the land areas on both sides of all public rights of way for a depth of three hundred (300) feet from the edge of the right of way, said mobile home must be set on a safe and permanent foundation and must conform to all frontage and yard requirements of the district.” (This to comply with State Statutes).

Yes vote—87

No vote—27

C. To change Article 902 from:

"The Board of Selectmen shall issue any and all permits requested when such is in accordance with the provisions of this ordinance. Permits will expire one (1) year from date of issue unless construction has begun. The permit fee shall be one (1) dollar."

To: "The Board of Selectmen shall issue any and all permits requested when such is in accordance with the provisions of this ordinance. Permits will expire one (1) year from date of issue, unless construction has begun. The Selectmen will set the building permit fee annually."

Yes vote—106

No vote—16

D. To change all references to specific RSA's in the Zoning Ordinance to read: "Current applicable RSA's" (RSA means Revised Statutes Annotated.)

AUDITOR'S REPORT

Richmond, NH 03470

February, 1986

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

Gentlemen:

I herewith submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1985. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent Town records.

SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustee of the Trust Fund were carefully verified and checked.

FINANCIAL STATEMENTS

1. Comparative Balance Sheets show that assets exceed liabilities by the sum of \$55,773.72 for the year ended December 31, 1985. There was a net surplus of \$27,871.23 in 1984.

2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations amounting to \$16,200.57. In 1984 there was \$35,891.24 in unexpended balances.

3. The Statement of Estimated and Actual Revenues shows a net revenue surplus of \$23,612.42. The 1984 surplus amounted to \$18,213.70.

4. The Budget Summary indicates a net Budget surplus of \$36,889.67.

5. Accounts of the Town Treasurer, Town Clerk, Tax Collector, Trustee of the Trust Fund, Revenue Sharing and the Fire Department Equipment Fund have been summarized and tabulated.

6. The special Revenue Sharing Report which is required by the Department of Revenue Administration of the State of New Hampshire must be published in the Town Report.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursement and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All Town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1985. In my opinion, the attached balance sheets and other statements of sources of revenue and expenditures truly represent the financial position of the Town of Richmond for this period.

THANKS

I sincerely thank the Town Clerk/Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records. I especially appreciate their understanding and knowledge which helped immeasurably.

Very truly yours,

Ruth Flanders

Auditor

HOME HEALTH CARE & COMMUNITY SERVICES, INC.

ANNUAL REPORT

This past year, Home Health Care and Community Services has provided home and community based services to the residents of Richmond as in previous years. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and service fees. Those that could not be covered by outside funding have been supported by your town.

The following statistical and financial information represents our agency's activities in your community during fiscal year 1985.

SERVICE REPORT

Services Offered	Total Provided	Total Supported by Town
Skilled Nursing*	4 Visits	3 Visits
Home Birth Registrations	1 Visit	
Rehabilitation Therapies:		
Physical Therapy	8 Visits	
Homemaker	1 Hour	1 Hour

TOTAL CLIENTS SERVED

Services	Total Unduplicated Client Count
Professional Services	3
Homemaker/Home Health Aide	1

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and office consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The total cost of free services in your town this past year was \$429.00.

Funds applied toward the cost of free services were as follows:

Town Funds	\$950.00
------------	----------

The total balance in 1985 for Richmond is \$521.00.

On the basis of this year's level of services provided to your town, an appropriation or budgeted figure of \$950.00 for home care services is recommended to cover the costs of anticipated activity in 1986.

*Includes Care for the Terminally Ill

LIBRARIAN'S REPORT

The Library has been as busy as ever this year, we began the Summer Reading Program in June with 36 children participating. The theme "Pig Out On Books" was a great success and ended with the children who completed the program receiving awards and certificates on Richmond Fair Day.

As usual, several book sales were held throughout the year with the kind and generous assistance of Stan and Peg Bartram. I would also like to thank the Friends of the Library and the Library Trustees for their continued help and support.

For newcomers to Town, Library hours are Tuesdays, 2:00 p.m. to 8:00 p.m. and Saturdays 1:00 p.m. to 5:00 p.m. Please come and visit and enjoy the Richmond Public Library.

LIBRARY TRUSTEES REPORT

As most of you now know, Sue Packard is the town librarian. She replaced Crescent Pierce last year and is currently taking courses at Keene State College to become certified.

Last year, three sides of the library were painted and the mildew cleaned off the building. We are in need of a new furnace as the old one has outlived its usefulness and does not heat the addition adequately. We hope to have the new one installed this year; the money having been appropriated at the 1985 Town Meeting.

The library hours have been expanded this year due to the requirements of the N.H. Statewide Library Development System. To obtain accreditation, public libraries must now be open ten hours a week, minimum. The new hours are as follows: Summer, 9:00

A.M.—1:00 P.M. Saturday; 2:00 P.M.— 8:00 P.M. Tuesday. After Labor Day: Winter Hours: 1:00 P.M.—5:00 P.M. Saturday and 2:00 P.M.—8:00 P.M. Tuesday.

Thanks to our growing trust funds we are now adding much needed reference materials to our collection. We were able to replace our antiquated typewriter with a newer computer model. Also acquired this year was a more versatile copy machine. Please feel free to use this machine during library hours.

A number of events were held to support the library sponsored by the "friends." Special thanks are extended to Ken Atherton and many other good neighbors who have given of their time and money to further library programs.

A much needed revision of the handbook "Round-About Richmond" was completed and is available, free, in the library. Just a reminder, the archives is open by appointment only. Ask the librarian for details.

Respectfully submitted for
the Board of Trustees,
Joseph G. Thibodeau, Chairman

Auditor's Report

I, the undersigned, hereby certify that I have examined the accounts of the Trustees of the Richmond Public Library for the fiscal year ending December 31, 1985. Records of the checking account covering the Town Appropriations were found to be correct and very well kept. Records of the Trust Funds were absolutely correct. The Librarian's checking account was verified and was found to be correct.

POLICE DEPARTMENT REPORT

This past year, criminal activity was down in comparison to other years. For this we can be thankful to you, the Citizens of Richmond. Your cooperation through awareness of suspicious activities and the reporting of the same to your Police Department, I believe, has been a major factor in a reduced crime rate. We may never know how many crimes are prevented by the quick response of a police office to the scene of a contemplated crime. Keep those calls coming!!

Although the crime rate was down, the training rate has gone up! In addition to the 78 hours of classroom training and obtaining a passing grade from the numerous courses to be a certified part-time police officer, the State now made it a law that each part-time officer must have four more hours of classroom training on firearms, somewhere, and score a 275 or better on a firing range, somewhere, in the presence of someone who is a certified firearms instructor. This must be done each year if the part-time officer is to hold his or her certification. Now this Chief has no disagreement over training or the amount of it for him and his officers. It is certainly needed to be proficient in our duties. It just seems to me that the State finds it easier to make rules and regulations without giving much thought as to how a small town, with a part-time, basically volunteer police department can find the time to fulfill their requirements, locate classrooms, certified instructors and a firing range—not to mention hold down a 40 hour plus weekly fulltime job to feed their families. If this sounds like complaining, you're right. I am sure it won't do any good, but I sure feel better! Besides, I thought you should be aware.

Many thanks to the Keene Police Department for their classroom training on firearms, the Hinsdale Police Department for the use of their firing range and Chief Ohlson, their certified instructor. Hinsdale also held a 78 Hour Certification Course which enabled our newest member to the Richmond Force, Mike Pearsall, to attend and obtain his certification. We welcome Mike on our department and know he will make a fine addition to our force. Through the courtesy extended from Keene and Hinsdale, we were able to keep our officers certified for another year.

We regret the resignation of Sgt. Tim Brewer from our department. He has served the Richmond Police Department with outstanding, dedicated performance and will be missed and not easily replaced.

We are looking for a most peaceful and safe 1986 and with your continuing support we will have it.

PLANNING BOARD REPORT

Subdivisions: 1985 has been a very active year for the Board regarding subdivisions. We approved 8 subdivisions totaling 31 lots. In addition, one subdivision is still pending the completion of conditional requirements, and there was one boundary line change approved, and two "natural subdivisions." The main areas of activity were Whipple Hill Road and Route 32 North. In each of those areas, the Board acquired from the subdivider a right-of-way for potential fire pond usage.

Planning: Due to the large number of building lots created from subdivisions the past few years, the Town should expect a similar increase in population. As this occurs, Town facilities such as roads, offices and meeting halls, police and fire protection, etc. will need to be improved and expanded to meet the growth. Some Town facilities, notably in the Town Hall, are already severely lacking.

The Board introduced a new subdivision regulation limiting re-subdivision, to aid in the orderly growth of the Town.

The Board has also worked on instituting a Site Plan Review process in Richmond, as set forth in the State of NH RSA's. This will give the Town the power to review and approve or disapprove site plans for non-residential uses and multifamily dwellings.

Membership: The Board has had full membership this year with the exception of our Ex-Officio member; we were without the representative from the selectmen for five months.

Budget: For 1986, the Board is requesting a budget of \$800, unchanged from 1985. This will cover printing costs for Subdivision Regulations, Zoning Ordinances, in addition to other business.

FIRE DEPT. RESCUE SQUAD REPORT

The Richmond Fire Department Rescue Squad has completed it's 7th year. This year we have added a new suction unit, portable oxygen tanks and some basic hand tools. We again had tremendous support from the town's people at all of our fund raisers, which allowed us to suplement our operating budget.

During the year we have answered 26 calls. They range from auto accidents, heart attacks, fractures, heat exhaustion, to standby at fires.

We have sponsored in-town CPR classes and an Advanced First Aid class. Another CPR class will be held in April if there is enough interest. Please contact Chris Taylor (239-4005) if interested.

We could use some new members. If interested please contact Chris Taylor or our training officer, Mary Taylor (239-6042).

If you have an emergency, please contact 352-1100. This will ensure that you receive the proper services in the quickest way possible.

Our thanks to all who have supported us throughout the year.

Respectfully submitted,
Christine Taylor, Captain

BEACH COMMITTEE REPORT

The beach season got off to a late start this year. Plans for laying down new sand were washed up due to so much rain. The beach was raked and smoothed out and buoys were restrung. Our three barbeque grills were lost due to theft. We must discuss plans to replace these. Please forward any suggestions you may have concerning the beach to any of the committee members.

RECREATION COMMITTEE REPORT

1985 started with a pot luck supper honoring Richmond's senior citizens, held in April at Camp Takodah's Friendship Lodge. Entertainment, provided by Carl Decker, was enjoyed by all ages.

The summer swimming lessons and Pre-School Movement Class were again a great success. Day-camp was held at Camp Takodah's daycamp facility, with Tanya LeCour as our director and a staff of local counselors, Amy Carnie, Lauren Merrifield, John Harris and Spike Patnode. We would like to thank Colleen Walsh, Wetterau, Inc., and Alan Barton (of Full Circle Farm) for their help with keeping the cost of our daycamp overnight to a minimum.

The Labor Day parade went well and we wish to thank all those who participated and made it a success. Special thanks to the Shir-Roy Marching Kazoo's for their musical leadership, Chief Opie of the Rice Hill Fire Dept., and the handsome gorilla twins who wandered out of the Shir-Roy campground.

The annual Children's Halloween Party (Oct. 31) was again enjoyed by many. This year's adult Halloween party brought out all kinds of creatures to dance to music by "The First Impressions."

The Annual Children's Christmas Party completed our activities for the year.

In November we lost a very valuable and dear friend, our chairman Bob (Buffalo) Smith, to a sudden illness. We will sorely miss Bob's leadership and guidance. He always gave of himself selflessly and enthusiastically in every endeavor.

CIVIL DEFENSE REPORT

Richmond Civil Defense made some very significant improvements in 1985. The greatest and most visible improvement was the renovation of the Civil Defense building next to the Fire Station. Richmond Civil Defense applied for and received approval from the State to participate in a 50% expenditure reimbursement program. This program when coupled with the Civil Defense budget approved at Town Meeting, provided the funds necessary to complete the major structural and interior improvements. The building was painted. Energy efficient windows were installed. It was fully insulated and paneled. A new insulated floor was installed. A furnace was purchased. Partitions and electrical wiring were installed.

Initially it was projected that the entire project would be completed with volunteer labor and budgeted monies. Unfortunately, the volunteer labor did not materialize as planned and much of the budget was spent on contracted labor. It is hoped that completion of the renovations will be realized with the projected 1986 budget. Special thanks go to the community members that donated their time and expertise on the project. Ken Atherton and Ray Bachinsky—electrical work. Bud Jacobson—firewood for heat and Bob Gorman—architectural advice.

It is hoped that with some of the less technical finish construction ahead that community members will be willing to donate some time and energy.

The Richmond Emergency Operations Center (EOC) was activated twice this year. The first activation was for the FEMA/Vermont Yankee Test. Once again, Richmond received high compliments from the Federal Observer stationed at our E.O.C. Compliments were received for efficiency in Civil Defense, Rescue Squad, Fire and Police. Deficiencies in notification equipment were again noted in the official report.

The second activation of the E.O.C. was for the "big hurricane." Richmond was fortunate that nothing materialized from this storm and damage was light.

In closing, I would like to thank the very dedicated people of the N.H. Civil Defense Agency who tirelessly help our State and Community. Without their knowledge base, support and enthusiasm, communities like ours would struggle for survival in times of emergency and disaster.

Respectfully submitted,

Robert S. Coy

Civil Defense Director

FIRE DEPARTMENT REPORT

During the year of 1985, the Fire Department answered 30 alarms. There were four reported structure fires and one mutual aid structure fire in Winchester, three chimney fires, two brush and grass, six accidents, one search for a missing person, five miscellaneous, one false alarm. The department also answered seven cover assignments to other towns.

Our search for a new tanker has been realized. We purchased the chassis and had a new tank constructed. The tanker will carry 2850 gallons of water. The members of the department have been working at least one night a week getting the tanker ready. We are still short of our goal. The Arthur Whitcomb Inc. and Kingsbury Machine Tool have been very helpful with our project. If it weren't for their assistance, we would not be as far ahead as we are.

We have purchased a new Hale Pump and are getting ready to mount it on the tanker now.

As the end of the year was approaching we began to run short of funds to continue our work. The Fire Company voted to hold a raffle to raise funds. It was a very successful raffle as we raised over a thousand dollars. This will be put toward the completion of our project. I wish we could say this would be enough to finish our tanker, but it will not. When you see the increase in the Department's budget, I hope you will understand and approve the budget.

The Department purchased new equipment during the past year. New turn-out coats, bunker pants, boots, two new Scott Air Paks and a spare tank, a folding ladder and miscellaneous tools were purchased.

New fire extinguishers have been purchased for the Fire Station. The Selectmen purchased new fire extinguishers for all Town Buildings and Offices.

To the Residents of Richmond, thank you for being so fire conscious by keeping your chimneys cleaned and being careful during the dry season. Please take the time to check your Smoke Detectors and if you do not have any, please try to purchase one as they do save lives.

I wish to commend the Richmond Rescue Squad under the command of Captain Chris Taylor, Lt. Mary Taylor and Lt. Michael Pearsall and its members for the great job they did in the year 1985.

Last, but not least, I would like to say thanks to the wives and

families of all the Firefighters. The Firefighters have been away from home many evenings working at the fire station. Your understanding was appreciated. To the Firefighters themselves, my sincere thanks for a job well done.

BOARD OF ADJUSTMENTS REPORT

The Board of Adjustments was kept busy in 1985. During the course of the year there were five appeals submitted. These appeals were for variances or exceptions to the already established zoning ordinances. Each appeal was heard on an individual basis and the outcomes of each are a matter of public record.

Bradford Gross was appointed as a new member of the Board in 1985 and was also voted in as secretary.

We look forward to another busy year and will do our best to serve the growing Richmond community with everyone's interests at heart.

PARK COMMITTEE REPORT

Budget—same as last year.

We have made every effort to make the park easy to look at—now the only thing is for you people to go and use it.

If there was an interest in using the park, I am sure the committee could help organize some activities.

CONSERVATION COMMISSION REPORT

Regular monthly, special meetings and work sessions were held by the commission as necessary.

In June, the commission proudly sponsored town resident, Loren Merrifield, to participate in the New Hampshire Youth Conservation Camp, conducted by the Society for the Protection of New Hampshire Forests. The week-long educational session is a combination of field trips and hands-on experience, where campers learn about our renewable natural resources and conservation. The commission plans to sponsor a Richmond youth annually, so all interested young adults, ages 13 through 18 please contact a commission member as soon as possible for details.

We would like to thank John Campbell and Spike Patnode who shared the responsibility of mowing the Quaker Cemetery. Interest derived from the money in the Quaker Cemetery Fund, sustains our annual beautification efforts.

John Randall of Whipple Hill, has been hired by the commission to assist us with our silvicultural activities in the Harry J. Bennett Town Forest. Our immediate project is to fell inferior trees competing with future crop trees and issue cordwood permits to Richmond Residents so they can utilize these felled trees for firewood. We hope to have this project in full swing by summer.

We would like to extend our appreciation to all those who generously made contributions to the various funds under our administration or to our self-supporting commission.

A statement of our various accounts and funds follows:

CEMETERY TRUSTEES REPORT

This has been an interesting, lively and very active year for the Cemetery Trustees. Because the Town Meeting produced a major turnover in the membership of the Board, there has been a general change of direction with regard to the Trustees' goals, policies and activities.

Since the incoming Trustees found the information available to them to be very limited, one of our goals for this year has been to establish clear policies and guidelines and to commit this all to paper. The Cemetery Rules and Regulations have been revised and expanded, with copies provided to the Selectmen and to area Funeral Directors. Copies were also provided to owners of the various burial plots. Those regulations which apply to the public (some are only for Funeral Directors) are printed after this report.

In the Spring, a massive cleanup program was launched to get the cemeteries into condition to mow. Mowings were completed for Memorial Day, Fourth of July and Labor Day. Our experience indicates that a fourth mowing should be done next year in early August. New signs were painted for the cemeteries and sign posts were creosoted. The Middletown Fence was repaired by Henry Randall and Stan Bartram and then painted by Richmond's Seniors Group. Two

lawn mowers have been donated for use in the cemeteries, the donor preferring to remain anonymous. The Earl Howard Memorial Cemetry has been limed and fertilized this fall in attempt to bring it up to par with the other cemeteries.

A card file system has been set up for each grave in all the town cemeteries. Special thanks are due to Mr. Cliff Struthers of Winchester who has researched our cemeteries as a hobby and graciously shared his information with the Trustees. Files have been established to show location of Veterans and Perpetual Care Lots. If anyone has knowledge of those buried in unmarked graves or has any additional information on the cemeteries, please contact us so that the files may be complete as possible.

We had hoped to do a mulch mowing this past Fall, but the first storm arrived before all the leaves were down. All of our energies this past year have gone into the Middletown, South and Earl Howard Cemeteries. Next year, we hope to continue the maintenance program established in those cemeteries, and to begin reclamation of the Town's other cemeteries that have become overgrown.

We are sincerely thankful for the generous volunteer help and outstanding cooperation which everyone has given us this year.

Respectfully submitted,
Cemetery Trustees

CEMETERY RULES & REGULATIONS

The following rules and regulations pertain to all public (Town owned) cemeteries:

1. Public cemeteries will be closed to burials from November 1st to April 1st. Arrangements for storage of caskets from deaths occurring during this period will be the responsibility of the family and funeral home.

2. New grave sites are available for purchase in the Earl Howard Memorial Extension of South Cemetery only. Burial in any of the other public cemeteries will be limited to burial on already purchased family plots.

a. Plots may be chosen by the purchaser. Lots of any number plots are available.

b. Purchase prices are as follows:

	Residents	Non-Residents
Single Plot	\$25.00	\$50.00
Double Lot	50.00	100.00
Family Lot (3)	75.00	150.00
Family Lot (4)	100.00	200.00

c. Title: When a lot is purchased in Earl Howard Cemetery, the

Cemetery Trustees will issue an Easement for Burial to the purchaser along with a map showing the location of the plot and a copy of the rules and regulations for the cemeteries.

d. When a lot has been chosen and purchased, the Cemetery Trustees will mark the lot with markers at the outer most four corners of the plot(s), being it a one plot site or a multiple plot site.

e. Monies received from the sale of plots in Earl Howard Cemetery shall be invested in a Trust Fund and income to be used for the care and maintenance of the Earl Howard Cemetery, to include mowing, seeding, filling and ordinary care of lots but does not include upkeep of monuments or markers. Additional monies may be paid to set up Perpetual Care to cover any expenses for upkeep of lot not covered under normal cemetery care. These monies will be invested in Trust Funds and income used for specified purposes.

f. Lots cannot be transferred or assigned without written approval of Trustees and may not be resold but may be returned to the Town for the original purchase price.

g. Those few plots not sold in South and Middletown Cemeteries will be reserved for families in Town who cannot afford to purchase a lot. The responsible Overseer of the Poor will apply to the Cemetery Trustees for a plot for burial. The plot will be chosen by the Trustees.

3. A burial plot in any of the Public Cemeteries may contain:

1 body (5' deep)

8 cremations (2' deep)

1 body, 4 cremations

1 body, 1 infant

All caskets will be placed in a vault of durable material before burial. This requirement may be waived by the Trustees if situation of burial plot precludes this.

4. Preparation and/or maintenance of plot:

a. Plots will follow the contour of the cemetery grounds with no mounding of graves or building up of plot areas.

b. Monuments will be placed on a base of sand, stone and cement. Monuments on plots in the Earl Howard Cemetery will be placed at the west end of the plot facing Route 32. The placement of any other stone, statue or ornament must be approved of in writing by the Trustees.

c. No trees, fences, artificial flowers, or glass containers are allowed. Small shrubs may be planted but must first have approval in

writing by the Trustees.

d. Potted plants may be placed on the plot. The Trustees assume no responsibility for loss or damage to pots or other containers and maintains the right to dispose of broken or unsightly containers at any time.

e. The Trustees reserve the right to prevent the placing on a plot or to remove from a plot anything so placed in violation of the rules and regulations or that they deem detrimental to the general apperance of the cemetery.

f. The Cemetery Trustees will not be responsible for payment of any expenses incurred without prior approval of Trustees.

TOWN OF RICHMOND

NEW HAMPSHIRE

SELECTMEN'S OFFICE

Richmond, New Hampshire 03470

Telephone (603) 239-4232

To The Citizens of Richmond, N.H.

October, 1985

At the Town Meeting of 1984, the Selectmen were directed to expend the funds allocated for Legal Expenses in a program designed to bring complete conformance to Zoning Regulations as they now exist by vote of the Town.

This request implied to the Board a need for a split approach. The first concern to be the prevention of further violations resulting in costly corrective procedures. The second to involve the correction of existing violations that have occurred since the inception of zoning.

The year 1985 has been costly to the Town with advice and services being required in the following areas: Planning Board advice on sub-divisions; Board of Adjustment interpretation; Timber Tax collection; Civil actions against the Town; Corrections of violations involving habitated, non-conforming dwellings; and prevention of further zoning violations. These necessary actions deleted fiscal 1985 funds leaving nothing to pursue changes in long-standing violations such as the "Junk/Unregistered Vehicle" problem.

It is not the wish of the Board of Selectmen to have to expend town funds — raised by taxation — for the enforcement of regulations which could easily be corrected by responsible resident action. It is in the pursuit of self-correction of the still existing violations that the following information is offered.

Article 303 No junkyard or place for the storage of discarded machinery, vehicles, scrap material, or other junk shall be maintained in any district, except as hereinafter provided for.

The Board of Selectmen will assist any resident in their attempt to bring their property into compliance with any zoning regulation by

providing available information that will aid them.

We sincerely hope that each tax-payer within Richmond will realize that their cooperation in complying with the Zoning Regulations will prevent the extensive tax expenditures required to force legal conformity. We welcome questions and suggestions in this continuing effort.

Board of Selectmen
Town of Richmond, N.H.

SELECTMEN'S REPORT

Your selectmen have experienced a year of transition with the resignation of the chairman and the prior chairman assuming the responsibilities of organizing a nearly completed year.

It has been the intent of the Board to carefully comply with all the mandates of the 1985 Town Meeting. We have completed many of the tasks assigned even in this year of change. There are still many areas that need the continuing effort of this Board and the full support of the town.

We thank the citizens who faithfully served the town throughout the year and urge other town members to give of their time to these important jobs.
